Room Equipment

All rooms are equipped with a projector and HDMI connection. If you need a special adapter, please bring it yourself. Additionally, all rooms are equipped with a desktop-device (iMac) where you can plug in a USB stick.

Wifi Access

Eduroam

Members of most universities worldwide can use the “eduroam” wireless network as part of the eduroam inter-university services (please refer to your home university in case you need assistance to set up eduroam).

Guests / Congress Participants

Guests without eduroam can use internet access anywhere where they see a "uzh-guest" WLAN. Then you must accept the terms of use at the bottom of the page and enter your mobile phone number in the registration form. You will then receive an access code via SMS, which you can use to activate the access (all mobile phones with which you can receive SMS in Switzerland are supported).
